Dear St. Catherine of Siena School Families,

I hope this letter finds all of you relaxing and enjoying summer with family, and friends. I wish to express how excited I am to embark on my first year as Principal, here at St. Catherine School. I am humbled to join such a wonderful group of people, and I look forward to serving you in this very important ministry.

We are winners!!! I had an amazing time building the St. Catherine Booster's 4th of July float, alongside many other volunteers. I was tickled to ride, in the parade, representing the school. It was not a surprise that we won "Best Float," as all those who were able to join us, in support of our Boosters, made their presence known. There were a lot of lively cheerleaders on our float! Thanks, again, to all those who showed their support for St. Catherine Boosters! It was a great time.

Next, I am **looking for volunteers to help me beautify the front of the school.** I need a gas-powered weed whacker. If you have one, or any garden tools, and want to come down and help, I am here from 9:00 AM –3:00 PM, Monday thru Friday. An hour, or two of your time would be greatly appreciated. If you cannot help, in this way, you may also donate a hearty, but cheerful outdoor plant.

Welcome new families! We will be new, together, as I will also be learning the St. Catherine School traditions, and culture for the first time. Please join me at the Country Western Dinner Dance on July 16th at 5PM, sponsored by the Knights of Columbus, and the St. Catherine Booster's Hawaiian Luau on August 27th in the Parish Hall. I am excited to get to know you better.

I am **hiring a new P.E. teacher.** We will offer a solid, and safe physical education curriculum to our students, two, or more days a week. Additionally, I would like to **thank Pauline Porter,** who cleaned our Library, once again, and has offered to staff during the year, so that students may enjoy checking-out great new books. Library and P.E. have always been wonderful programs at St. Catherine School.

Lastly, we are **accepting applications for the 2011-2012 school year.** If you know anyone who is considering Catholic education, please contact me at 925-228-4140, for more information. Enjoy the rest of your summer.

God's Blessings,
Ms. Sandy Wright
